Annual Education Report 2021-2022

Updated 8/23/2023

September 2023

Dear Parents and Community Members of Rockford Public Schools:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for the Rockford Public Schools. The AER addresses the complex reporting information required by federal law and some requirements of state laws. If you require assistance in interpreting the AER, please contact your child's building principal or the RPS Assistant Superintendent of Instruction, Mike Ramm, at 616-863-6556.

By clicking [here](#) and filtering by building or district, the AER information is available for you to review electronically. You may review a copy in the main office at your child's school.

The AER contains links to data in the below categories, as well as information regarding the Every Student Success Act (ESSA):

- Student Assessment
- School Accountability
- Educator Qualification
- National Assessment of Educational Progress (NAEP)
- Civil Rights

Conclusion

The purpose of this report is to inform the community as to the status of their community schools. The report summarizes the information into the mandated areas. As you saw in the AER data and hopefully have experienced in person, the Rockford Public Schools continues to provide an outstanding, well-rounded educational experience focused on every student. Working together with parents, students, teachers, administrators and community, we will continue to work toward providing learning experiences that increase opportunities for students in the next steps of their life.

Sincerely,

Dr. Steve Matthews, Ph.D, Superintendent
Rockford Public Schools
