

HOOPS for H A I T I

Dear Rockford Families,

We will be starting our basketball unit, students have the opportunity to participate in a "Shoot-a-thon" during PE class benefitting the Haiti Foundation Against Poverty (HFAP). Participants will get pledges from family and friends, the pledge sheet (also attached) will go home with them the week of December 2nd when they have PE class. Please return the pledge sheet to school the week of December 9th. The Shoot-a-thon will also be the week of December 9th during your child's PE class. During the actual "Shoot-a-thon", participants will have ONE MINUTE to make as many baskets as possible (basket height/ball type to be determined by age/grade). At the end of that minute, participants will document the number of baskets made on their pledge sheets. They will bring their pledge sheets back home and seek payment from those that pledged their support and return to school no later than Friday, December 20th . Participants that raise the most money at each grade level will receive a Hoops for Haiti t-shirt. The highest fundraiser at each school will have a goat named after him/her and donated on his/her behalf to a family in Haiti. Thanks so much for your support! Aside from Roguewoods fundraiser there will also be a lot of fun events on Friday, January 10 th during the Girls and Boys Varsity basketball game.
