

ARENA SCHEDULING WORKSHEET

Use this worksheet to create up to 3 sample schedules prior to or while working in Arena Scheduling. Your final schedule must be complete with all periods and trimesters filled in. You will want to have a back-up plan in case a class is full. Take into consideration preferences such as, "I perform better in math in the morning," "I prefer PE at the end of the day," or "I hope to have the same teacher for English both trimesters." The Master Schedule, containing a list of available classes, is an attachment in the Family and Student Access message about Arena Scheduling.
